To BHS Intern Supervisors:

The Bourne School District requires a CORI (Criminal Offender Record Information) check of the internship site supervisor, but not of all employees at the internship site.

Please fill out the included CORI form and take it to the main office at Bourne High School. You must take the form in person and bring a driver's license with you.

If you have already completed a CORI check within the last year, please let us know and you will not need to complete a form at this time.

Thank you again for providing an internship opportunity to one of our students. We sincerely appreciate your time and generosity!
